Deerlake Middle School 2013 Summer Reading Program

When you think of summer, many think of swimming, vacationing, spending time with friends, and enjoying the outdoors. We want you to enjoy all of these things while participating in something that will make you more successful as a student next year, and a summer reading program has been shown to do just that. We hope you take this summer's opportunity to broaden your horizons through reading.

Requirements

For this program, students must read the grade level novel listed below. Complete the prewriting activity and turn in by August 27. This activity may be found on the Deerlake Webpage www.deerlake.leon.k12.fl.us. A writing prompt related to the novel will be assigned at the start of the school year, and a test on the novel will be administered.
